Objective

A motivated and enthusiastic second-year Software Development student seeking an internship opportunity to apply and expand my skills in web design, programming, and database management. Eager to learn from experienced professionals and contribute to real-world projects.

Education

2023–2026 **Bachelor of Vocational in Software Development, Jai Hind**
(Expected) College, Churchgate, Mumbai

Technical Skills

Languages	Python (Basic), Java (Basic), JavaScript, SQL (Basic)
Web Technologies	Web Designing (HTML, CSS)
Tools & Software	Cisco Packet Tracer, StarUML, Git & GitHub

Projects

- 2025 **Personal Portfolio Website**
A responsive personal website to showcase my skills and projects. Designed and built from scratch to practice web design principles.
Technologies used: HTML, CSS, JavaScript
- 2024 **Student Information System (Concept)**
Designed a basic database schema and console application to manage student records, including adding, viewing, and updating information.
Technologies used: Python, SQL
- 2024 **Basic Network Topology Simulation**
Created a simulation of a small office network using Cisco Packet Tracer to understand routing and switching concepts.
Technologies used: Cisco Packet Tracer

Languages

English	Professional Working Proficiency
Hindi	Fluent

Marathi Native or Bilingual Proficiency
